Donating to the “Upward Mobility Scholarship” can assist diligent students who have financial difficulties to access better training and development so as to contribute to our country and communities in the future. I was poor as a child. After overcoming lots of difficulties and with great effort, I was admitted to a university, with my tuition fees having to be paid for by loans from some friends from church. Education has changed my life, and I really hope that young people will work hard and cherish opportunities of receiving education.

我十分感謝我的上游獎學金贊助人，這些獎學金對我們來說是一筆不少的金額，現在母親每天都要辛苦地上班工作，其實我知道她工作真的很辛苦，但她從不跟我抱怨，有著真心疼。這些獎學金能夠頂上她好幾天的薪金了。所以我真的很感謝我的上游獎學金贊助人能幫助我家中，減輕我母親的負擔。雖然我現在不能報告我這位贊助人，但是將來我長大後一定會好像我的贊助人一樣，幫助一些有需要的人。這筆獎學金我們一定會好好運用，我會把一半給我的母親，另一半給我的爺爺奶奶。原本我的父親都一直有給家用給我的爺爺奶奶，現在他不在了，我也必須要照顧他們。除了感謝，也不知道要說甚麼，這筆獎金對我們來說真的很有幫助，也十分重要，能幫助我們的日常所需。最後，我只想直誠地向這位贊助人說聲感謝，我一定不會令你失望，我會好好利用這筆金額，更會好好讀書，將來一定會同樣地幫助其他有需要的人，真的十分感謝。

我是陳冠衡，是明愛聖若瑟中學的一名中國學生。我來自新來港家庭，父親是維修散工，收入不穩定。母親是保安，收現時最低工資卅五元，工作時間長達12小時。父母都是低薪階層，收入低微。我們一家三口現租住荃灣楊屋道的一間50呎劏房，租金昂貴，每個月五千六百多。再加上生活與我學習上的開支，父母每月工資日所剩無幾，難以負擔。但我好幸運，在生命裏面遇到明日之星—上游獎學金和中國銀行(香港)有限公司對我的支持和鼓勵。在學習上，資助我可以買一些學習參考書；在生活上，資助了我上學放學的搭車交通費，紓緩了我父母的負擔，多謝「中銀香港」的幫助。

在學習上，我仍相信「知識會改變命運」與「是金子，總會發光」這兩則座右銘，繼續努力完成^{以報答父母和社會。}學業，將來找一份理想的工作，^{以報答父母和社會。}今後，我會堅持不懈以積極的態度，飽滿的熱情，把握機會，投身到學習和生活中去。

感謝大會給我上游獎學金，使我能夠買了整套足球用裝備，包括球衣、球鞋和運動襪。我已經開始使用這些裝備於逢星期二下午在保險濟寧內運動的練習，每次兩小時。我希望這些裝備能使我取得好的表現，當然我會繼續跟教練和隊友努力練習。

I have participated in the Life Buddies Mentoring Programme of the Commission on Poverty for the past few years and am happy to be able to contribute towards the Future Stars Mentoring Programme. This programme provides opportunities for the mentor and mentee to learn from each other and share their views. Since August this year, Biron and I visited various places, including volunteering for home visits to elderly living alone and visit to a residential clubhouse. During the visits and sharing, I found him to be a very active and positive youth who is true to himself.

It is my great honour to receive the Upward Mobility Scholarship 2019 and it encourages and supports me to realise my dreams. I want to be a flight attendant, serving passengers to reach their destination. I want to equip with stronger language ability, communication skills and global knowledge, which can help me make my dream be realistic. However, learning a new language is not easy and cheap in Hong Kong. I joined the Putonghua learning camp organised by my school this summer. I have learnt the basic level of Putonghua and experienced the Chinese culture in this camp and passed the HSK level 1 exam. It is a good start for me to learn this language. With your generous offer of this scholarship, I will definitely spend some of it to take the advanced Putonghua course in Hong Kong. Being a flight attendant in Hong Kong, I will serve quite a number of Chinese passengers. I hope I can communicate with them in Putonghua.

Moreover, having a good global knowledge can help me avoid culture conflicts with passengers from different backgrounds. In school, I have Chinese, Indian, Filipino, Pakistani and British friends. They teach me their own culture and it strengthens my global knowledge. I am planning to spend the rest of my scholarship as a subsidy to my secondary graduation trip to Japan. I want to experience the Japanese culture. I want to visit Tokyo as it is the crossroads where the Japanese culture interacts with western culture.

Many thanks to this scholarship to help my dreams become possible.

Hong Kong has been affected by social unrest and violence in the past few months. It is particularly heartbreaking to see that many of the participants are young people. At these difficult times, it is very important for all of us in the community to concern about our youths, lend them a caring ear and provide them with adequate support and advice.

Under the "Future Stars - Upward Mobility Scholarship", not only do students gain material support to further their potential, donors have the chance to personally interact with their sponsored students to show their personal concern and care to these youngsters. At this moment in time, the collective impact that this scholarship scheme may bring is longlasting and particularly meaningful.

I would like to thank Dr C. B. Chiu for his sponsorship of my "Upward Mobility Scholarship". This scholarship scheme not only provides us with a \$5,000 financial support, but also pairs us with a mentor to provide us with guidance in life planning and more sustainable support.

As the saying goes, "Your connections could be more important than your grades". I am thrilled that the organiser of the scholarship scheme paired me with a mentor who shares my passion for sports and outdoor activities. As his English name is Carl, I gave him a nickname "Cow". "Cow" is a lawyer. He shared with me the sweet and bitter moments of his work which are truly eye-opening.

I have already met with him once and our first activity involved working out in a gym which was, in fact, suggested by me. Not only did he not turn down my idea, he even located a free fitness centre and found information on fitness courses for me.

Recently, I asked "Cow" for referrals of a tutor to help me with my studies. He was quick in referring me to his friend, which was of great help! I am really grateful for the support from this programme, my sponsor and my mentor. Not only was financial assistance rendered, this programme also supports and encourages me in my planning for the future!

Mr Carl Wou Mentor of Ho Kit Ying

As a criminal lawyer, I get to meet young people on a regular basis. I joined this programme hoping to know more about young people.

While I would like to share my experience with young people, I also want to learn from their experience. I am very grateful to have Kit Ying as my buddy under this programme. It so happened that we are both keen in sports, so our activities included going to the gym and trail running up Tai Mo Shan. Our shared passion in sports helps establish a strong link between us. I am very glad that Kit Ying is willing to share with me her everyday life as a high school student.

In fact, we have more exciting arrangements coming up. I will be participating in the Oxfam Trailwalker in November, which will involve a 100 km hike from Sai Kung to Tuen Mun. Kit Ying has agreed to join my support team and assist me at the 60 km-check point, at which I would have hiked for over 10 hours over some of the toughest terrain in Hong Kong, like the Lion Rock and Ma On Shan. I am sure that the presence of Kit Ying at that time would be a compelling motivation for me to continue and complete the 100 km event!

首先，我十分感謝旭日慈善基金有限公司頒發獎學金給我。我的爸爸於四年前去世，家庭頓失經濟支柱，媽媽要照顧我和哥哥，未能出外工作，我們的生活變得拮据，日常我們只好多留在家中，未有閒錢出外遊玩，其實我最想一家人去香港海洋公園，看看海豚、鯨魚，玩玩旋轉木馬及摩天輪等。加上，我是複雜醫療個案，常常要覆診及服藥，睡覺時更須要使用呼吸機之儀器監察及呼吸，所有醫療開支都對家庭經濟構成壓力，似乎好難可以實現我的願望了。

今年我有幸獲得獎學金，不但可以減輕醫療開支的負擔，還可以實現我的願望，我終於可以去海洋公園了，真的十分感恩。

I'm very grateful and thankful that I have got this huge scholarship sponsored by Henderson Land Group.

I am willing to use this money for my future use, and I will use the money carefully.

I'm actually glad that I joined this mentoring program because it gives us a huge amount of scholarship and a mentor to guide us and in return I would like to achieve my goals and dreams by working hard. I hope I will go to the right path of my career because people change and my dream job may change.

I hope I will do well from now on. Once again thank you for selecting me to attend this huge mentoring program.

I learnt about this mentorship programme from an internal office email and decided to join it almost right away. I see it as a meaningful way to offer support to and learn more about the youth in our community. There is a world of opportunities in further education and career development, which I hope the sharing of our life experience would help to open to our mentees. Set a goal, find the path and take the steps. Yet when things do not work out quite as you have planned, be creative and try something new! I am glad Fadia has a grateful heart and a determination to make the most of her life. I count it a privilege to be her companion on the journey.

Among the thousands of sponsorship applications received from each year, many of them expressed interests in culinary or coffee arts. Some dream of being chefs or baristas as their careers. As a restaurant group, we have been trying to match up with students who are particularly interested in the food & beverage industry for two years already. To that one student who stated he would use the sponsorship to "make an enormous leap in cooking skills", I am confident you will surely succeed!

對於能夠獲得2019「明日之星」滋養獎學金，我深感榮幸，首先我衷心感謝我的贊助人叙福樓集團及株式會社有限公司，感謝你願意對社會作出回報，更感谢你讓我有機會可以堅持自己的夢想。對於出生於基層家庭的我而言，家中基本上沒有空餘的金錢可以作為經濟的支持，因此這一筆獎學金對我而言可以說得上是雪中送炭，而我將會把這筆錢運用於參加訓練班上，還記得於上學暑假前，我向家人表明我想從家中拿一千元參加校外的課程，但是卻被他們以家庭經濟情況不佳為由拒絕了我，但我也沒有因而放棄學習而是從其他免費途徑提升自己。終於於本年度我將會有一筆可以使我如願的資金。雖然我不能承諾在運用這一筆資金後必定能使我廚藝突飛猛進，但我可以肯定地向我的贊助人保證我必定會盡量善用這一筆來之不易的獎金。

I am Chan Sze Yin of Tack Ching Girls' Secondary School. I feel really honoured to be awarded the "Future Stars–Upward Mobility Scholarship", and am truly grateful to the Sino Group for their kindness and support towards my studies.

I live with my mother and our financial situation is far from satisfactory. My mother is not feeling well due to previous injury. My education expenses are substantial. This scholarship is a tremendous help in relieving the stress from life and from my studies.

I understand that scholarships are hard to come by and I will use it diligently and reasonably. My aspiration is to graduate from university and become a math teacher. However, my English level is still some distance from the admission requirement. This scholarship provides me with the opportunity to improve my English through tutoring and increase my chance to pursue further studies in my dream university. I will also use part of my scholarship to lessen my family's burden as a way to express my gratitude towards my mother.

I would like to thank the Sino Group again for your support. I will strive hard to achieve my dream as a math teacher to educate our future generations in return for the support of the Sino Group and the community.

We launched the “We Care • We Share Campaign” in 2009 to support the work of the Hong Kong Special Administrative Region Government and social welfare organisations. By doing so, we hope to convey the love of the business community and build a harmonious and inclusive society.

We have been supportive of the “Future Stars” Programme since its launch by the Commission on Poverty, donating scholarships to grassroots students to affirm their achievements and encourage them to keep pursuing their goals. We encourage our youths to dedicate themselves for success, study hard for a better tomorrow, shine like a star and bring care and the sharing spirit to those in need in society.

We actively participate in the economic development of Hong Kong as well as contribute to charitable causes in a wide range of areas including poverty alleviation, environmental protection and carbon emission reduction, cultural heritage, arts and sports and youth development.

We have been supporting the Commission on Poverty’s “Future Stars – Upward Mobility Scholarship” since 2014, with a donation of more than HK\$3.8 million going towards assisting youths facing adversities with a positive attitude, setting a stage for them to excel, encouraging them to fulfil their youthful dreams and realise their convictions.

One of our sponsored awardees, Tang Hoi Tak, is a spirited youth despite the physical limitations he faces, and overcomes obstacles in a positive manner in pursuit of his goals. Another sponsored awardee, Jason Lam, has been actively researching on methods to assist the visually impaired in taking public transport, and intends to use his scholarship to assist more people who are physically challenged. Both of them are exemplary models of outstanding youths in Hong Kong. We hope that with the support of the “Upward Mobility Scholarship”, they will be able to complete their studies, fulfil their dreams, and contribute to the betterment of Hong Kong and our country.

I would like to thank my school and my teachers for nominating me for the “Upward Mobility Scholarship”. I have mild hearing impairment and encounter many obstacles in my studies. I will make good use of this scholarship to achieve my personal goals and to use my strengths to contribute to society in the future.

I face my difficulties with a positive attitude. I may not be the top in my class, but my family is glad to see that I am putting in extra effort in my studies with significant academic improvement. This scholarship is a big encouragement to me which helps with my self-confidence. I will continue to work hard on my academic goals.

My aspiration is to become a bowling coach. I will use part of my scholarship for training for an open competition in bowling. Before my dad passed away due to illness a month ago, he was very pleased to hear that I was awarded this scholarship. Although I could no longer see his happy face, I will continue to work hard and plan well for my future, which I know is what my dad would have wanted me to do.

I was not born with a silver spoon. This scholarship is very important to me as it enables me to buy materials for the development of my research project, such as bus models, Arduino boards, ibeacon and locators, etc. With this scholarship, I am able to purchase these parts for further exploration, and allows me to master programming of distance-sensing test with Arduino and writing a programme for intelligent sensor lighting. After mastering the techniques, I will modify the bus model for distance testing and automatic prompts for signal lights, etc.. I will also use the scholarship to learn more about STEM, including enrolling for courses in rewriting of software code and virtual reality manufacturing applications. I will make good use of this scholarship to enhance my knowledge and pave the way for future research.

首先我很榮幸能獲得「明日之星——上游獎學金」，在此我衷心地感謝學校和獎學金贊助人和富社會企業給予我珍貴的機會，讓我可以向自己的夢想邁進一步。

每個人都有一個藏於心底的夢想，我的夢想是做一名護士，捨己救人，公義忘私地為社會上的弱勢社群服務。每當有人問我：「你的夢想是什麼？」我總會回答：「我還沒有夢想。」我覺得實現夢想是遙不可及的，我也怕他們取笑我，因為我來自基層家庭，經濟能力和資源比其他同學較少，加上我有讀寫障礙，自小學業就是班上的「車尾」，我總需付更多的努力去追上同學。這筆獎學金讓我相信只要把握機會，堅持不懈，夢想，再也不是遙不可及！

實現夢想現在最重要的是提升英語能力。我會積極參加學校不同的英語活動，藉此加強英語訓練。我還會到圖書館借英文圖書，看英文節目及新聞，務求將英語融入生活。為了成為護士，我會在高中選修生物科及健康管理與社會關懷科，希望認識與生而有關的知識及了解香港的醫療系統，為未來做好準備。

我知道追求夢想的過程會遇上重重的障礙，但我會像一個冒險家一樣衝破每個難關，最終找到寶藏。在此，讓我再一次衷心感謝學校和獎學金贊助人，我一定不負眾望，力爭上游去實踐我的夢想！
