CoP TFDA Paper 2/2006

Commission on Poverty (CoP)

“From Welfare to Self-reliance”

District Study on Employment Assistance

Draft Report

PURPOSE

Following the Commission’s agreement at its June 2005 meeting to examine the delivery of employment assistance at the district level, an independent researcher was commissioned to conduct the captioned Study from August till December 2005. The [draft Report](#) is enclosed for Members’ reference before submission to the Commission for endorsement. Members are invited to offer their comments on the draft Report, including the 18 recommendations which are summarised in the Executive Summary.
